

WASHINGTON COUNTY YOUTH LIVESTOCK VIRTUAL AUCTION! AUGUST 1, 2020 @ 5:30 PM

You are Invited!

For years, The Washington County Youth Livestock Auction has supported over 100 youth every year through the sale of their livestock projects. With the onset of COVID-19, our auction has had to adapt to the current conditions. This year, the auction will be provided online through a platform called Virtual Stock Show. We are very excited to give our youth participants the opportunity to continue working towards their goals by providing this virtual auction.
