

Ways That Buyers and Supporters Can Participate in the 2020 WCLA Virtual Youth Livestock Auction

1. **Pre-Bidding-** Busy during the auction, but would like to bid on an animal? Pre-bidding is available once buyer registration opens on July 31st! Simply register as a buyer and submit your bid before a participant's animal goes across the sale block! Please note that all pre-bids are final. If pre-bids are the highest offer on an animal, then the buyer who submitted the bid is responsible for the purchase of the animal. Pre-bids are done by the lot, not by the pound.
2. **Bid and Purchase an Auction Animal During the Sale-** Register as a buyer for the sale and actively bid on animals throughout the live sale to help youth participants reach their optimal sale price! Every bid counts. Even if you don't end up purchasing the animals you bid on! Virtual auction animals will be sold by the lot, not by the pound. Please note, you do not have to be out-bid by another buyer to submit another bid! Buyer registration opens July 31, 2020. 3. **Add-On Sponsorships-** Buyers can donate a flat amount towards a youth participant's auction project and mail in their donation. If checks are written for an add-on, please make the checks out to the WCLA Youth Prime Livestock Auction. A printable proxy/add-on form is located on the homepage of the auction site.
